

European Journal of Neurodegenerative Diseases

Vol. 3, No. 3, September - December, 2014

CONTENTS

M. Sepe, L. Rinaldi, M. Porpora, R. Delle Donne, S. Sauchella and A. Feliciello. Compartmentalized cAMP signaling in neurodegenerative diseases.....	119
M. Vitale, F. Monteleone, E. Sasso, C. Garbi, S. Parisi and N. Zambrano. Mammalian carbonic anhydrase family of enzymes in the nervous system: a focus on carbonic anhydrase IX	129
A. Verkhratsky, R. Zorec, J.J. Rodriguez and V. Parpura. Astrogliopathology in neurodegeneration.....	147
M.J. Sisalli, K.M. Omura, L. Annunziato and A. Scorziello. Mitochondrial NCX3: a new player in the regulation of mitochondrial calcium handling in neurodegenerative diseases.....	161
M.V. Soldovieri, F. Miceli, V. Barrese, M. Mancini, F. Boscia and M. Tagliatela. Potassium channels in neuronal death and survival.....	177
